

Embassy of the United States of America

Podgorica, Montenegro

April 27, 2012

To whom it may concern:

This is to verify that the Consular Section of the U.S. Embassy in Podgorica works closely with Mr. David Knezevic in his role as a coordinator for exchange programs in the United States, including the Summer Work and Travel Program. We have worked with him for the past two years in this capacity.

Sincerely,

A handwritten signature in black ink, appearing to read 'Corey Gonzalez'.
